

# East Africa Sub-Region:

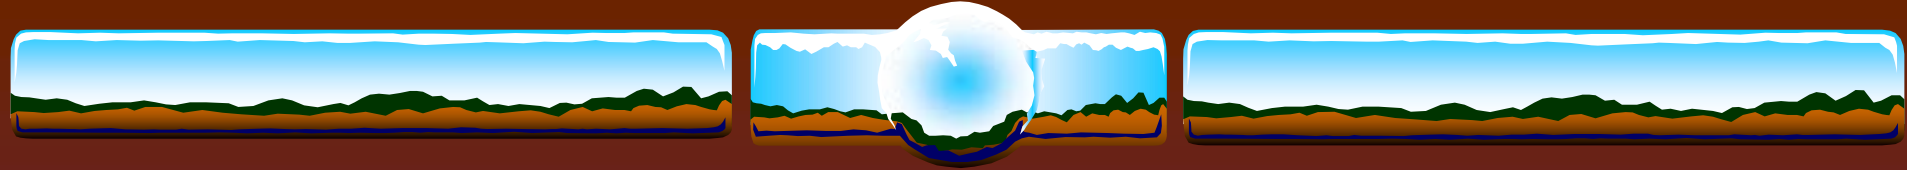

Enhancing Transportation  
Management to Foster U.S.  
Agricultural Trade Opportunities

# Findings

- \* Improvements needed in infrastructure
- \* Management of transport services improving
- \* Privatizing operations/economic competition
- \* Port and border clearance delays
- \* Serious transportation constraints still exist

# Ports of Mombasa/Dar Es Salaam

- ✧ 1,000 to 1,500 TEU vessels
- ✧ Container cost from US \$4,000 to \$4,600
- ✧ 30,000-ton grain storage terminal
- ✧ Bulk grain cost from US \$18-\$20

# Import Routes into Uganda

Route	Cost per 20' container	Transit time
Mombasa to Kampala	\$2,975	11 Days
Dar Es Salaam to Kampala	\$3,200	14 Days
Durban to Kampala	\$4,200	18 Days

# Future Transport Initiatives

- \* Continued privatization of ports/rail
- \* Continued transportation coordination
- \* Lower port/inland transport costs
- \* USDA Assistance
